Supervisor Molina made the following statement:

“Recently enacted State Law, Assembly Bill 1234 (AB 1234), requires that elected local officials and certain commission members attend ethics training every two years. The training course, ‘Ethics in Government,’ was developed by County Counsel and provides an essential overview of State and County ethics laws and regulations; conflict of interest provisions; lobbyist regulations; laws governing the acceptance of gifts and honoraria; as well as laws restricting outside employment.

“There are many County employees who are affected by various ethics laws and regulations, and who could benefit from the ‘Ethics in Government’ training.”

Therefore, on motion of Supervisor Molina, seconded by Supervisor Knabe, unanimously carried (Supervisor Antonovich being absent), the Board took the following actions:

1. Designated each Department Head, Chief Deputy and Administrative Deputy to attend the County’s “Ethics in Government” training program mandated by AB 1234, legislation which requires that elected local officials and certain commission members attend ethics training every two years; and
2. Instructed each Department Head, in consultation with the Executive Officer of the Board and County Counsel, to designate members of each department’s management who oversee the department’s contract administration, purchasing, or other operations which involve the issuance of entitlements, such as permits, licenses or leases, to attend the County’s AB 1234 training program, with the Department of Human Resources providing the administrative support necessary to accommodate these additional participants in the program.
